

MORNING APPEAL

SUNDAY.....MAY 12

BUTLER AND PORTER.

In a speech at Boston a week ago General Butler, yecept the Beast, accused Admiral David Porter of cowardice, and charged that he ran away at the capture of New Orleans. In replying to these charges Admiral Porter uses very plain language, and calls Butler a foul old bird and the greatest military fraud that was ever imposed upon a country, and makes caustic allusions to the baskets of silverware which he declares Butler sent home to friends in Lowell.

The Admiral completely refutes the charge that he ran away from the Confederates below New Orleans by quoting letters written at the time by Gideon Wells, Secretary of the Navy, and Col. Edward Higginson, of the Federal army, commending him for the important part borne by him in one of the most brilliant naval achievements on record. The Admiral says the forts surrendered to him, and Butler knows it, and would not have asserted anything to the contrary had he been sober. Butler, when in his cups, thinks he captured New Orleans, although the city was in possession of the marine corps for three days before Butler and his troops got there. That, Porter says he knows, because he towed them to the city.

Butler alleges, however, that, except vituperation, there is nothing in Porter's statements. He says Porter was thirty miles below New Orleans when Farragut and the forces under him (Butler) passed the forts, and were established in New Orleans when the forts surrendered to Porter. Butler declares that he is going to the Navy Department archives to prove Porter a liar, and Porter declares he will burn the old Beast alive, so that drunk or sober he will never refer to him again.

STEWART ON THE CARSON MINT.

Today the APPEAL is able to present to its readers in the form of a supplement, the letter of Senator Stewart to Mr. Windom, the Secretary of the Treasury, relative to the law establishing a Mint in this city, and the illegal methods resorted to by the enemies of silver to dismantle the institution and blot it from existence. The history of their conspiracy is a startling revelation of the boldness and mendacity of a plot in which the highest and most trusted officials of the Government took an active part, going so far as to devise methods of furthering open violations of the law, and stamping these transactions with the seal of their official authority.

That so flagrant a violation of the law of Congress could be committed in open sight of everybody and go unchallenged is something as incomprehensible as it is remarkable.

The subject is handled in the exhaustive manner so characteristic of the Senator, and will bear a very careful perusal. It is published at the request of members of the Nevada Silver Association, and will be issued by the Association in pamphlet form.

The appointment of Samuel C. Wright as Superintendent of the Carson Mint, will be very generally acceptable to the Republicans of the State. Mr. Wright is a veteran in the service of the party, and has the executive ability to manage the Mint in a satisfactory manner. His administration will be a greater success than any of his predecessors. The Journal hopes the Mint will soon be in full blast and coining four millions of silver dollars per month.—Journal.

Independent: Dr. J. J. Leek left this morning for Battle Mountain. Yesterday he circulated a large number of "Dental Statistics" gotten up by some crank at Tuscarora, who had not the moral courage to sign his name to the document. The circular contains one clause so unmistakably vulgar that the author is justly entitled to the contempt of all decent people.

TRIUMPH.

TRIUMPH is a beautiful bay; stands 15.2 and weighs over 1,200 and is the finest looking a man ever saw. He took the first premium for 3 year-old stallions at the State Fair of 1888. TRIUMPH will make the Season the same as Gibraltar and Alpha. Terms, \$40 for the season; \$30 to insure.

PEDIGREE.

Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of more horses with records from 2 15 to 2 30 than any horse that ever lived. McL. E. Clement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any Stallion that is alive to-day. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Toomy of Sacramento. His dam is now over 20 years old and can trot in 2 40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to 26 St. Clair brood mares and the most of his horses that have made the best records for 2 3 and year-olds are out of St. Clair mares, namely: Fred Crocker dam by St. Clair, two year old record 2 25 1/2; Bonito, dam by St. Clair, 2 year old record 2 24 1/2, 3 year old record 2 18 1/2; Manzanita, dam by St. Clair, 4 year old record 2 16 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the cars will be taken to the Ranch and bred and good care taken of them. Pasture, Two dollars per month, or will keep them up for \$20 per month as I have over 100 fine box stalls. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will take horses to train or colts to break at reasonable rates. I also have a few Gibraltar colts to sell. If you want a good colt can sell you one cheap. Positively no shooting allowed on the premises.
